

## Movie Group

### Open to the Adoption Community

Three times a year, our adult adoptee Movie Night is open to other constellation members and the adoption community (March, July & November). Through the viewing and discussion of mainstream movies, the adoption experience is shared and normalized. Adoption Mosaic Movie Group seeks to create a collective space where the adoption constellation can learn from each other, build community, and contribute to enhancing the lives of other constellation members.

Join us for a movie, popcorn and a facilitated discussion.

Facilitator: Astrid Dabbeni, has led youth adoption support groups, and worked and volunteered for adoption related organizations for over 14 years. Astrid's life-long interest in adoption is rooted in her own adoption at the age of four with her older sister from Colombia, South America.

Cost: \$4-\$10 sliding scale. For additional information visit our website [www.adoptionmosaic.org](http://www.adoptionmosaic.org) or email Silvia at [info@adoptionmosaic.org](mailto:info@adoptionmosaic.org)

Adoption Mosaic is a non-profit 501c3 organization founded by those touched by adoption to offer support, education and resources for the adoption community. Adoption Mosaic is not associated with any adoption agency, nor does it make recommendations about agencies or specific types of adoption. We value diversity, openness and honesty in adoption.

**Why Mosaic?** Like adoption, a mosaic is a picture created of bits and pieces. The spaces between remind us that each piece has a history of its own.
